

Declaration No.: ZKEA-QC-[Serial No.ZKHN2600101DQ20093]

DECLARATION OF MATERIALS AND COMPLIANCE

Supplier's Certification — Hydrogen Inhalation Machines

To: Customers of Hydrogen Inhalation Machines

This declaration is issued by Zhongke Enthalpy (Anhui) New Energy Technology Co., Ltd., manufacturer of hydrogen inhalation machines, certifying the material composition and regulatory compliance of our products.

1. Catalyst

Catalysts are supplied by Zhongke Enthalpy (Anhui) New Energy Technology Co., Ltd., with technology originating from the University of Science and Technology of China (USTC).

2. Nafion Ion Exchange Membrane

Nafion proton exchange membranes are sourced from DuPont Chemours or Fumatech (FuMa).

3. Eco-Friendly Materials (EU Standards)

All other materials and consumables are eco-friendly, non-toxic, recyclable, and comply with EU REACH / RoHS standards.

4. Components & Accessories

All components and accessories have passed relevant certifications (CE, RoHS, and applicable electrical-safety standards) with supporting documents.

This declaration is issued voluntarily by the manufacturer. For verification or requests for supporting documents (purchase records, test reports, and certification copies), please contact the Quality Assurance Department of the issuer.

Company: Zhongke Enthalpy (Anhui) New Energy Technology Co., Ltd.
